WINE LIST

Nderit House has a temperature-controlled wine cellar from which guests are welcome to select a wine or two to compliment their lunch or dinner. We have selected a very considered collection of wine with an emphasis on Journey's End and The Springfield Estate, both fabulous vineyards in South Africa that are family-owned and with whom we have a long-standing friendship. We do not think that the climate lends itself to Bordeaux, Clarets or Malbec so the choice is fairly limited to lighter wines: Southern Hemisphere wines for the Southern Hemisphere being the ethos.

A rich and well-rounded wine, thanks to its later harvest and its time in oak, with bold citrus fruit flavours and a perfect level of acidity to refresh the palate. This is surprisingly age-worthy and will keep and evolve for up to 8 - 10 years.

CREMANT DE BOURGOGNE (SPARKLING) 5,700

Complex layered and well crafted. A core of rich blackcurrants, black plums, with a savoury overlay, meat extract, white pepper, and mixed spice. the velvety texture is a result of maturation - the wine is at the perfect drinking age - and fine-textured tannins.

SPRINGFIELD ESTATE PINOT NOIR 8,600

A light to medium-bodied fresh enigma of a wine with excellent minerality and purity of red berry fruit. Planted in 1997 on a rock infested outcrop too steep for tractors, all the tending is done by hand and only a few bunches a year are yielded.
